NEW BRIDGE TO BE USED TODAY

The new drawbridge which the Northwestern Pacific is building at Black Point will be swung into position today according to present calculations. The bridge is the second largest in the state, weighing 450 tons, as compared to 130 tons, the weight of the one it is replacing and 170 tons for the Petaluma draw bridge. The new bridge has been erected so that the traffic can be changed from the old one to the new one without interruption of traffic for a single minute.

The new draw has a span of 250 feet which turns so as to clear the creek for passage of boats up and down stream.

TO WHOM IT MAY CONCERN

This is to certify that I have this day assumed all right and title to the butcher business of H. Weber and will conduct the same in the future. I respectfully bespeak the patronage of my friends.

BASE BALL NEWS

BY A. FANN.

After winning six games in a row, the Sonoma Club went down to defeat before the S. J. S. Cubs, of Fruitvale, last Sunday afternoon by a score of 5 to 2. Four costly errors by the home bunch helped to decide the game in favor of the visitors.

First baseman Canevari played a dandy game for the Greens. His fielding and batting figured strongly in the defensive and offensive work of the home team.

Den Greeley, who pitched for Sonoma, was hit on the pitching arm while at the bat in the seventh inning. Up to that time he had struck out thirteen batters and allowed but six hits. "Letty" Helberg, who finished the game, held the visitors runless but the Sonoma boys could not come through with a batting rally. A little more batting practice would help some.

Geo. Leiser, Sonoma's left fielder, made a swell catch in the seventh frame.

The fielding of the S. J. S. Cubs was of a high order. They were some faster than the Patten Land Co. team.

It is said that Jack Brown is coming back to town. When he does, they won't "kick our home" around.

The El Verano nine lost to the Albert S. Samuel's Club, of San Francisco, last Sunday by a score of 9 to 7. Now both the Sonoma and the El Verano boys are asking: Why is an error?

Al. Jansen pitched for Santa Rosa last Sunday in the first of a three-game series between Santa Rosa and Sebastopol. In the sixth inning, with none out, the Rose city boys made eleven runs. This was too much for manager Hicks, of Sebastopol, who called his men off the field and took them home. Jansen held Sebastopol safe after the first inning, when they scored twice. Score, 15 to 2.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For the last many years Doctors pronounced it a local disease and prescribed local remedies, and for years treated it as such. Now, however, a new treatment, pronounced it Incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Remedy, sold by J. C. Cheney & Co., Toledo, Ohio, is the only Constitutional Remedy. It cures in from ten to thirty days in doses from 10 drops to a teaspoonful. It acts directly on the blood and the system. It is guaranteed to cure or offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Boswell one day complained to Johnson that the noise made by a group of literary men with whom they were dining the day before made his head ache. "No sir; it is not the noise that made your head ache," replied Johnson, "it was the sense we put into it." Has sense that effect on heads? asked Boswell. "Yes, sir; on heads not used to it," answered Johnson.
